Artist should not be required to wait around more than 30 minutes before or after an event unless she has agreed in advance. Please be considerate of the fact that teaching all day with jet lag is very tiring.*
- Sponsor agrees that venues will have an adequate sound system, as well as appropriate lighting and studio mirrors. In large workshops, an effort to find a microphone headset will be made.
- Video taping of Artist's performance is permitted provided Artist receives a complimentary copy of the taped event. Sale of such video is not allowed. The video of Artist's performance may not be placed online without consent.

- Artist will not be required to perform or teach on the day of arrival if total travel time is more than 5 hours.
